South Enders support Emerald Necklace

South End resident Laura Moruzzi, with Francesca Federico, attended a champagne reception and evening of shopping to celebrate Party in the Park's hatpop-up at Neiman Marcus on April 6. The pop-up, featuring exquisite hats from designers including Marzi, Helen Kaminski, Eric Javits, and Angiolo Frasconi, was featured at Neiman Marcus Copley Place for two weeks. This year's Party in the Park luncheon, which benefits the Justine Mee LiffFund for the Emerald Necklace, takes place on May 11 at Pinebank Promotory.
