What is Party in the Park?

Party in the Park is one of Boston's most anticipated social events and the Emerald Necklace Conservancy's surest sign of spring. Since its inception, the luncheon has generated over \$10.3 million for the Justine Mee Liff Fund, which underwrites significant improvement projects in the Emerald Necklace park system. In 2018, the 15th annual luncheon drew over 800 park champions for an elegant lunch held in beautiful tents in Boston's 527-acre Franklin Park.

Join us for this wonderful cause – and a fun-filled afternoon!

2019 Party in the Park Goal:

To raise \$1,000,000 for the Justine Mee Liff Fund to continue the work of the Olmsted Tree Society's tree care, planting, and watering throughout the Emerald Necklace.
