As of March 20, 2022
The Emerald Necklace is a 1,100-acre linear park system in Boston and Brookline that connects 13 neighborhoods through green spaces and waterways. Designed by Frederick Law Olmsted in the late 19th century, these parks are home to more than 2,000 species of plants and animals and are used by tens of thousands of people every day for recreation, community gathering, healthy commuting or simply enjoying nature — right in the center of the city!

The Emerald Necklace Conservancy supports tree care and landscape restoration, capital improvements, youth and adult education programs, free public programming, volunteer activities, park advocacy and more. Your sponsorship, ticket purchase or donation to Party in the Park helps ensure a healthier, more vibrant Emerald Necklace — and Greater Boston. Thank you!
SINCE 2003, WITH THE DEDICATION OF OUR FRIENDS AND SPONSORS, THE EMERALD NECKLACE CONSERVANCY’S ANNUAL “PARTY IN THE PARK” HAS SUPPORTED THE RESTORATION AND IMPROVEMENT OF OLMS TED’S HISTORIC 1,100 ACRE PARK SYSTEM IN COLLABORATION WITH ITS PUBLIC AND PRIVATE PARTNERS.
